**On Sunday, September 3,** all of the hymns in worship will be chosen by you! We will set aside some time to "Stump the Organist" by calling out favorite hymns on the spot (agreed to by our organist, Jane Bracken).

Every first Sunday, Jane has focused on a different style of music. This service will be on Jazz. Jazz is a truly American art form. It has its roots in the slave songs of the Civil War era, and has evolved through the decades, encompassing everything from ragtime to big band, to rhythm and blues, to the more recent New Age sounds. Jazz has gained more acceptance and popularity in the church, and many arrangers have chosen familiar hymns to add the Jazz touch.
