

**2020-2021**  
**St. Ansgar's Confirmation Lesson Calendar**

- Wednesdays 6:00 - 7:00 pm
- We will meet in person, in class if the school is meeting in person in class. All in person classes will be in the basement fellowship hall. Students will need to have their temperature checked by staff the way into the main fellowship hall doors, (This is a “no touch” temperature check) sanitize hands on the way in, and wear a face mask. Students will be spread out around seats at the round tables with 2 – 3 students per table. We have the potential of 17 students so there should be plenty of room to spread out and social distance.
- Even if there are in person classes, assume that all classes will also be live zoom classes. Pastor will open up a zoom meeting each time and students can follow along at home if that is the choice of parents at any given time. Students on zoom will still need to check in with pastor as attending class on time when the zoom meeting begins.
- We are using the Faith Inkubators highly engaging power point driven curriculum. Students will each be given a journal workbook that they will keep at church or take home depending on where they are taking the lesson from. Parents will need to sign off that the work is done, and/or brought to the church once a month to account for the work being done.
- Students need to be in worship – either in person, outside with outdoor worship or inside if we come in with safety precautions or on line via Facebook Live feed each Sunday. Two Sunday sermon notes/ worship notes will be required to be turned in each month through the 9 months period of learning.
- This plan is subject to change and open to tweaks and recommendations at this time.
- For more info contact Pastor Randy direct at cell/ text: 507-923-3098, at email sapastorrandy@gmail.com

**SEPTEMBER**

9<sup>th</sup>... First Day of Confirmation- Parents and students; Lesson #1 OT Overview
